The image shows an XML validation tool on the left and a Notepad++ editor on the right. The validation tool shows an XML document with a 'Reminder' element and an error message: 'XML Parsing Error: mismatched tag. Expected: </heading>.' The Notepad++ editor shows the XML document.

```
1 <Chicken>
2   <chicken>
3     <id>12</id>
4     <name>Lucy</name>
5     <color>brown</color>
6     <birthdate>1999-12-11</birthdate>
7     <age>2</age>
8     <isMolting>false</isMolting>
9   </chicken>
10 </Chicken>
```

XML Parsing Error: mismatched tag. Expected: </heading>.
