Connecting with MongoDB Compass

I don't have MongoDB Compass installed

I have MongoDB Compass installed

1. Choose your version of Compass

1.12 or later

See your Compass version in "About Compass"

2. Copy the connection string, then open MongoDB Compass

mongodb+srv://materoge32:password@cluster0.znbumcs.mongodb.net/

Replace `<password>` with the password for the `materoge32` user.
When entering your password, make sure that any special characters are [URL encoded](#).
