Name: Flavio Olivier Paspuel Castillo

NRC:14575

Activity: Create a java class called student

```java
public class Student {
    private int id;
    private int bornOnYear;
    private int bornOnMonth;
    private int bornOnDay;
    private String name;
    private int ageInYears;
    private String gender;
    private String major;
    private float finalGrade;
    private String currentSemester;
    private String fatherName;
    private String hobby;
    private String practice;
}
```
